The Fun Quilter Head Assembly is identical to the ones we put in our Commercial and Pro Series. No Corners are cut!

Single stitch red button saves your fingertips from having to use the thumb wheel when moving the needle one stitch at a time.

Only 1 drop of oil every 8 hours of continuous use. No oil wells or complex places to get to.

12" florescent light for a perfectly lit work area. Switch out and insert a black light when needed.

Obvious thread path and tension device help you achieve your desired stitch quality.

Our famous hopping foot assembly is just right for rulers and guides.
